4. EMPLOYMENT HISTORY:

Electrical Engineer at Hast Bureau 2014

I have worked as a supervisor Electrical Engineer in Hast Bureau for engineering, in Sulaymani, and I have learned a lot of practical and technical works about electricity.

I would like to be one of your engineers to serve in communication domain because I like this domain so much.

Also I want to be a useful member in my society, and to be capable of using my skills to serve my country, as well as myself.

Thank you for reading my C.V.
